

## Magnetic

Magnetics If you're not ready for a permanent commitment in vehicle signage, choose magnetic signs for temporary applications. "Auto mags" can match your vehicle's colour, so people won't even know they're temporary. Don't want to advertise your business after hours when you're driving around on your own time? Auto magnetic signs are the way to go.

Magnetic signage can also be used in display & notice board signage.

Easily cut to standard or custom shapes with lettering or a graphic laminated.

Indoor or external applications.
