

Name Badges

Name bars are available in a number of types and styles, all be printed on a range of metal colours. Mirror Gold, Brushed Gold, Mirror Silver, Brushed Silver, Chrome Silver, White and Bronze.

Almost anything can be sublimation printed on them, including club/company logos. Full colour is the same price as one colour.

Laser engraved badges are another option. This can result in a two colour result with the underneath colour showing through when engraved.

Most have a coating on the metal which gives a bubble appearance. Also available a decorative clear dome coat adds that professional touch. It protects the badge from scratches and does improve the appearance
